NOTE

Kiawah Island Utility, Inc. will install the hydrant meter on a requested hydrant no later than 24 hours after application is made dependant on meter availability. All hydrant meters end with a 2 1/2" male hydrant thread fitting. **It is the responsibility of the party renting the meter to contact KIU upon completion. Should you fail to do so, you will be charged \$8.00 per day until the meter is removed.** KIU assumes no liability for any damage resulting from attachments left on meter during services.
